

Winter International Junior Series at Pinhurst

POINT DISTRIBUTION COMPETITION

The following points are incorporated in all of the events for the series.

1. A season long point race will determine the Player of the Year award* in each division as well as our series All American awards. In order to determine placement, the best four (4) tournament finishes will be selected for each individual. Ties in individual events for point distribution will not be broken except for first place. An updated standing for all players will be available at registration of each event.

2. Determination of trophy winners in single events: ties will be broken in each event to determine trophy winners only. Ties for champion will be played off at sudden death at a hole to be determined by the committee.

Ties for all other trophy positions will be broken by the low score for the second round of the tournament. If a tie still exists a match of second round score cards will be utilized using the USGA method. Ties for all positions "except champion" will not be broken in determining the point distribution.

*Winners of the Player of the Year will be awarded one (1) AJGA Performance Based Star.
